Mason

I am calling about a matter that I called about a couple years ago and I was seeing if there was any update on that.

Mason

I have a case number.

ACAP

Oh, OK.

ACAP

What is that?

Mason

It is.

Mason

1816

Mason

Mason

And I'm sorry.

ACAP

258

Mason

That is correct.

Mason

ACAP

OK, it's 18 dash.

Mason

Look, maybe I should back up.

Mason

Just it's not.

Mason

I didn't.

Mason

It's not written, I got it speaking to an ACAP attorney just like you.

ACAP

What I'm asking you is 18 dash 16258.

Mason

818 Sixty I see I don't have it written without any dashes, I just have it.

Mason

Written but well, actually it's in my.

OK.

Mason

My last name is Mason.

Mason

Ah, so.

ACAP

What is the name of the attorney?

Mason

Well, there's a growing list, but it began with Robert Sale and Lynn McArthur, Roland Williams, Roland McArthur.

ACAP

There is one, the only one that we have is for Robert Sale and that reference number is.

ACAP

20 dash.

Mason

OK, so so when you.

Mason

I'm sorry, I'm unprepared, but I'm I'm.

Mason

I my fault, I'm unprepared for this, but I can be momentarily.

Mason

What am I?

Mason

Supposed to do with this what you're telling me.

ACAP

So that you can have your your number correct and I'm going to verify your phone number.

Mason

OK huh?

Mason

OK, OK.

ACAP

OK, that reference number.

Mason

Yes uh-huh.

Mason

One 2885.

Mason

OK.

ACAP

Now the phone number that we're showing for you here is for this particular file is area code 210.

ACAP

8489451 is that correct?

Mason

That was correct.

Mason

Now it is.

Mason

It has since changed.

Mason

What that is?

ACAP

So when you called here, uh, Minmay UM of this past year?

Mason

No well.

Mason

Hold on, I'm talking about this is this is going back to the back to 2018 because I called in 2018.

ACAP

1 version.

ACAP

And that's no longer in our system this, but I'm trying to tell you the only one that we have is between you and Mr.

ACAP

Robert thing.

Mason

Right?

ACAP

So what I was going to try to say is now that Tony that you spoke with about Mr.

ACAP

Her name is Miss Laura Canter.

Mason

Well, I I'm I'm less concerned about what I'm less concerned about.

Mason

What this what this lady you're telling me about then I am concerned about the fact that there's no record of the proceed and it was closed.

ACAP

That fixed over a year ago.

Mason

Well, hold on, but is that normal procedure?

ACAP

In a year ago.

Mason

To do and I called back more than one time and like y'all didn't.

ACAP

I understand, but after a year it gets it gets purged from the system.

Mason

Well, I mean you you can see where that might have the effect of just imagine if the person was not as capable as I am.

Mason

They would be just out of luck.

Mason

I mean, that's a a serious internal control flaw.

ACAP

They would have to start at the start from scratch.

Mason

Right, right?

Mason

Just imagine how many people slip through the.

Mason

Cracks on that.

Mason

OK, well let me restate that we have and there's a.

Mason

There's a growing case and I can prove federal conspiracy and this whole thing is worth over a billion dollars.

Mason

By the way, it's it's exactly as I said, but larger than I had anticipated so.

Mason

We got that going on so it it has not gotten smaller.

Mason

It has not gone away.

Mason

It does not.

Mason

I mean, if we're talking about reality, the reality of the situation is that I can trace from.

Mason

The from my intellectual property to my former business partner, Lynn McArthur.

Mason

And he was acting, you know, he flipped back.

Prove it.

Mason

I'm having a.

ACAP

Really hard time hearing you.

Mason

Yeah, so let me let me sit, let me stay stationary here.

Mason

Well, let me let me.

Mason

Fill in a couple.

Mason

Let me add some attorneys to that list.

Mason

Russ Burke, the Burke Blue is as a firm in Panama City.

Mason

Yes, well I'm sorry Rob blue.

Mason

I have nothing right.

Mason

Go to my YouTube channel.

Mason

Like further you can.

Mason

I will.

Mason

I'll tell you which ones I'm talking.

Mason

It is, uh, OK.

ACAP

I did not do that.

Speaker 1

So that's correct.

Mason

Fair enough, fair enough.

ACAP

You can do that.

Mason

Yes, it would probably be quicker if I just got it from the website, but.

ACAP

OK, I'll tell you how to.

Mason

Get it yeah, OK well hold on.

ACAP

OK.

Mason

Are all so so the do I go a?

Mason

Year without calling back on that thing.

ACAP

I I don't know Sir, the only thing that we're showing is that RFA number that I just gave you.

Mason

Right?

Mason

So that's it.

Mason

I mean, so that's it.

Mason

Like there's there's they don't have like prenumbered like yeah, I don't have that.

Mason

You ever have like a yeah?

Mason

Yeah, that's unfortunate.

Mason

So this is the.

ACAP

Let me just tell you how to download it 'cause I'm on a website it I mean.

ACAP

I'm going to try mean I got other people home.

Mason

Yeah, I I know.

Mason

I mean I know how many people that are calling in with uh, like.

Mason

You hey, you'll see this in the headlines. By the way, you're gonna? I mean, I'll just, I'll just launch it on YouTube and you are a representative of the Florida bar and you guys have just y'all had like, OK?

Mason

That that's.

Mason

That doesn't look good for the Florida bar.

Mason

Have you read the preamble for that for the Florida bar?

Mason

I mean, it goes exactly against that.

Mason

It's not.

Mason

It's not going to increase the coffin citing free silence.

2300

Mason

Yes, oh hey, I already know how.

Mason

To do it.

Mason

It's OK hey, it's OK.

Mason

What's your name again?

Mason

I'm sorry or can I get your name?

Mason

OK alright.
