Probation Officer Gaskins,

I am attaching my supplemental report to FSUPD Case # 2010-0052, documenting to violations of Judge Hobbs Pretrial Release Order. It appears the notice you sent dated 10/12/20 was received and scanned into our case file by Records Manager K. Gray on 10/22/2020. I am unsure if there was any further distribution of the Order. Please advise Judge Hobbs of these violations and proceed as the Honorable Judge Hobbs sees best.

Which order?
Do I have a copy?
Why consult with the first appearance
judge and not the presiding judge?

Where are these conversations? All calls were recorded.

- 3) Pallusek (voice mail) November 2, 8:43

Narrative:

On 11/02/20 I was contacted by FSU Police Communications Officer D. Harbin. PCO Harbin advised that Lance Mason had called the FSU Police Department requesting to report his vehicle stolen. Mason's vehicle was towed at the request of the registered owner Patricia Futrell on 10/09/20. This is the same date Mason was issued a trespass warning for Florida State University Property. PCO Harbin stated he advised Mason that he could not report the vehicle stolen as he was not the registered owner. PCO Harbin advised Mason had called three(3) times and during the third phone call requested to speak with a supervisor. Also during the phone calls with PCO Harbin, Mason informed him that he was recording the conversation and it would be posted to his YouTube channel. PCO Harbin informed me and provided a phone number 850-819-8817. At this time neither PCO Harbin or myself was aware that Mason is violating his Leon County Pretrial Release order issued by Judge Hobbs on 10/10/20.

I called Mason at the provided phone number 850-819-8817, and he did inform me that he was recording our conversation. Mason stated that he wanted to report, the vehicle stolen. I informed him the vehicle was towed at the request of the vehicle owner. He proceeded to begin to discuss a reported title which was allegedly in the glove box of the vehicle. I informed Mason that he would need to file a civil lawsuit against his mother to determine ownership of the vehicle, but at this time he failed to complete the transfer of vehicle ownership. Mason began discussing his property that was impounded at the FSU Police Department. Mason indicated that he was advised his property could not be located when he inquired previously. I advised Mason that he would need to contact FSU Property and Evidence to arrange the return of his property. After approximately 15 minutes of debate and argumentative discussion our conversation was ended. Mason indicated the conversation would be posted to his Social Media account.

Upon researching the location of Mason's property I discovered that he has been violating the Pretrial Release order issued by Judge Hobbs in Case Number 2020MM1732A1. I spoke with FSU Property and Evidence Custodian B. Woodaz. Woodaz stated she had been receiving phone calls from an acquaintance of Mason regarding return of his property. Woodaz indicated she was provided an email address for Mason and sent an email on 10/16/20 at 12:07 PM with instructions on how to retrieve his property. Mason responded at 1:44PM from the email address "turncoatenergy@gmail.com". The entire email thread is attached to this report. Mason's reply is included below.

Thanks Brittany

I'm having a problem getting in touch with people since you have my phone.
I'll find someone though.

What do i need to do in order to get the complete bodycam video, both from the arrest and the previous morning when my car was taken?
I'd like to get the complete report and everything including bodycam for discovery.

Am I allowed to contact the dean of the business school or the Law School Public Advocacy Center?

Thanks in advance
Lance Mason

I then discovered that Mason has been contacting Records Management Supervisor K. Gray, requesting reports and BWC video from both contacts with FSU Police case numbers 2010-0044 and 2010-0052. On 10/16/2020 Property and Evidence Custodian B. Woodaz forwarded the email from Lance Mason to Records Manager K. Gray. On 10/19/2020 Records Manager K. Gray sent the requested videos via secured dropbox to Mason. On 10/22/2020 at 7:41 AM Mason sent Gray another email asking for more information and questions, see conversation below. The emails will be attached to this report.

Thanks Karin

I have an audio that comes after the last one provided where they are explaining why I'm given a trespass order and provided a contact card. I see the punishment which is a no trespass order in perpetuity. I don't see what I'm alleged to have done however but that was discussed in the audio I have if you would like to hear it. Do you have the video for that and that which precedes it?

Also there is nothing from the incident that evening where I describe how I had had a knife and gun pulled on me and chose my alma mater in order to charge my phone so that I could escape, rather than trying to find an outlet where my would be attackers were last seen.

This will start over at Landis Green and end at the fsu police station.

Am I prohibited from contacting the dean of the business school, the Seminole boosters, the public advocacy law center, and the alumni association ?

Thank you

Lance Mason

On 10/22/2020 Mason contacts Gray via email with more questions asking for more video and claiming he was not provided all of the requested documents. Records Manager Gray discovered Mason did not provided the correct case number in reference to his arrest 2010-0052. The report is listed as pending and she advised she had forwarded the requested information to the General Counsel Office for review.

Lance Mason has been in direct violation of the Leon County Pretrial Release order issued by Judge Hobbs on 10/10/2020.

I swear that the above facts are true and accurate.
