Please see the following response to your public records requests:

### 1. Body cam audit logs (Incident # 2010-0044)

- FSU does not maintain any records under the category "audit logs." Are you able to more specifically describe the records you are seeking?

### 2. Information regarding Encap and Enervest pertaining to MyFRS and the FSU Foundation

- For information relating to MyFRS, you would have to submit a request to the State Board of Administration, which handles the pension plan.
- For any such information pertaining to the FSU Foundation (a direct-support organization), such information is exempt from disclosure under chapter 119, Florida Statutes, as follows:

1004.28 Direct-support organizations; use of property; board of directors; activities; audit; facilities.

(5) ANNUAL AUDIT; PUBLIC RECORDS EXEMPTION; PUBLIC MEETINGS EXEMPTION.—

(a) Each direct-support organization shall provide for an annual financial audit of its accounts and records to be conducted by an independent certified public accountant in accordance with rules adopted by the Auditor General pursuant to s. 11.45(8) and by the university board of trustees. The annual audit report shall be submitted, within 9 months after the end of the fiscal year, to the Auditor General and the Board of Governors for review. The Board of Governors, the university board of trustees, the Auditor General, and the Office of Program Policy Analysis and Government Accountability shall have the authority to require and receive from the organization or from its independent auditor any records relative to the operation of the organization. The identity of donors who desire to remain anonymous shall be protected, and that anonymity shall be maintained in the auditor's report.

(b) Other than the auditor's report, management letter, any records related to the expenditure of state funds, and any financial records related to the expenditure of private funds for travel, all records of the organization and any supplemental data requested by the Board of Governors, the university board of trustees, the Auditor General, and the Office of Program Policy Analysis and Government Accountability shall be confidential and exempt from s. 119.07(1).
