**Supplement Officer: C Poppell**

On October 9, 2020 at approximately 9:30 AM, I was conducting proactive patrol of Call Street Parking Garage 4.

During my patrol, I observed a white Nissan Frontier truck, Fl tag# NRUF17 located on the 1st floor with it's rear window busted out. Upon further examination of the vehicle, I observed from the driver side window numerous items in disarray throughout the truck consistent with a stolen vehicle. I also observed a pill bottle with name Steve Dawson on it in the rear passenger seat of the truck. I was able to locate in FSU student files a Steve Dawson. I contacted Dawson via telephone, to which he stated he has not been in the area for approximately three years. Dawson stated he is located in the Miami Fl area and has no affiliation with this vehicle at all. Dawson appeared to be truthful in his statement. While speaking with Dawson, Officer A. Johnson observed a Winchester 12 gauge shotgun, serial # L3511614 in the rear floorboard of the truck. I retrieved the shotgun and properly unloaded two buckshot shells from the weapon. I placed the shells and shotgun in the trunk of patrol vehicle 3175 for safe keeping. The shotgun was verified through NCIC/ FCIC as not stolen.

I was able to locate the registered owner of the vehicle, Patricia Futrell, via telephone through FSUPD communications by the tag number. I contacted the local police department in Lynn Haven to conduct a welfare check on Futrell. I spoke with Officer Walsh badge# 53. Walsh stated he spoke with Futrell and she would be contacting FSUPD. Futrell contacted me via telephone through FSUPD communications. Futrell stated she gifted the truck to her son, Lance Mason. Futrell said she has not heard from Mason for a long period of time and has no contact information for him. Futrell stated Mason was supposed to register the vehicle in his name but never did due to his drug problems and lack of money. Futrell advised she would be en-route to Tallahassee to remove the vehicle from FSU property since it is still registered in her name and she is the legal owner and liable for the vehicle. Futrell advised she wanted the truck towed to a safe location at her expense until she arrived in Tallahassee. A rotational wrecker (Ability Towing) was contacted per Futrell's request.

During my conversation with Futrell, I observed a white male approaching the Nissan truck. The male identified himself as Lance Mason and provided a Fl drivers license number and date of birth. Mason's identity was verified through FSUPD communications. Mason stated the vehicle belongs to him and he ran out of fuel. Mason stated he left the vehicle parked there overnight until he could return with fuel. Mason was unable to provide any type of documentation to prove the vehicle belonged to him. Mason was persistent on retrieving the title of the vehicle from the glove box. I advised Mason before he entered the vehicle I would need to pat him down for weapons, to which he agreed. Upon completion of the pat down Mason became very irate and claimed he was being setup. Mason refused to enter the vehicle and left the area.

A short time later I spoke with Futrell and advised her of the address where the truck would be towed. I also advised of her of the shotgun found in the floorboard. Futrell stated she would retrieve the shotgun as well upon her arrival to FSUPD.

At approximately 11:20 AM, driver of Ability Towing, Justin arrived to remove the vehicle from Parking Garage 4. During this time Mason returned back on scene with his cellular phone out. Mason was yelling "this video is going on Facebook live". At this time I made contact with Mason and advised he was being

trespassed from all FSU properties due to his criminal history and no affiliation with FSU. Mason acknowledged he knew the boundaries of FSU and was given a copy of the Field Contact Card for trespass. Mason understood and left the premises with no issues.

At approximately 1:10 PM, Futrell arrived at Tanner Hall lobby to retrieve the shotgun and buckshot shells. Futrell signed a property receipt and Dangerous Weapon Return Form for the safe keeping of the firearm. I drove to the area FSUPD visitor parking lot where Futrell was parked. I removed the shotgun and shells from the trunk of patrol vehicle 3175. The shotgun and shells were placed in Futrell's vehicle in her possession with the weapon unloaded.

Futrell and Mason have no affiliation with FSU.

This interaction was recorded on my body worn camera. All documentation has been scanned and attached to this report.

A case number was issued and provided to Futrell and Mason.
