<b>Defendant's Name</b> MASON, LANCE P	<b>Race</b> W	<b>Sex</b> M	<b>D.O.B.</b> 10/01/1970	<b>Agency Report#</b> 2010-0052
---	------------------	-----------------	-----------------------------	------------------------------------

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant on Friday October 9TH 2020, at approximately 23:34, at 144 HONORS WAY did the following violation of law:

On Friday, October 9, 2020, at approximately 10:24 PM, I was sitting stationary in my marked agency patrol vehicle observing the area of Landis Green located on Florida State University main campus in Tallahassee, Leon County, Florida.

While observing student activity in the area, I observed a white male wearing no shirt, blue jeans, no shoes, and carrying a tan in color backpack walking across Landis Green, who I later identified as the defendant Lance Mason. I confirmed Mason's identity by viewing a driver license photograph through ELVIS. Upon seeing my patrol vehicle parked in the area, I observed Mason stop walking, turn around, and begin to walk in the opposite direction. I continued to observe Mason from a distance. As I was watching Mason's actions, I observed him walk around an area containing bushes on Landis Green, turn and walk towards FSU's Montgomery Hall, then turn and walk back onto Landis Green. At the time, I believed Mason to be lost.

I exited my patrol vehicle and conducted a consensual encounter with Mason to see if he needed assistance navigating campus. Mason verbally provided to me his name and date of birth. I ran Mason's information through FSUPD Communications. Upon doing so, FSUPD Communications advised Mason was recently trespassed from FSU main campus on Friday, October 9, 2020. After learning this information, I placed Mason under arrest for violating Florida Statute 810.09 (2)(A): Trespassing Property not Structure or Conveyance.

**LANCE MASON**

DEFENDANT

CASE NO.: 2020MM1732A

SPN: 183581

**CONDITIONAL PLEA OF NOT GUILTY**

Defendant, represented by the Public Defender, tenders a plea of not guilty to the charges in this case, with the following express reservations:

Florida Rule of Criminal Procedure 3.166 (a) authorizes a written plea of not guilty when a defendant is represented by counsel; the effect of the written plea is to waive arraignment. Florida Rule of Criminal Procedure 3.190 (c), states that unless the court grants a defendant further time, all motions to dismiss the indictment or information shall be made either before or upon arraignment. Except for motions based on fundamental grounds, all objections not made by the time of arraignment are waived. Florida Rule of Criminal Procedure 3.140 (m) grants defendants the right to a copy of the indictment or information 24 hours before being required to enter a plea to the charges.

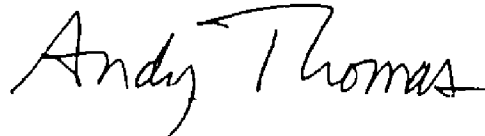

This written plea of not guilty is not intended to waive any motions, objections or defenses that could or otherwise should be made at or before arraignment. Defendant therefore specifically reserves the right to file any motion, including motions under Florida Rule of Criminal Procedure 3.140 (g), for a reasonable time after arraignment.

Should the defendant be deemed to be waiving, forfeiting or abandoning any motions or defenses by tendering this plea, then the plea is automatically withdrawn and renounced.

Defendant demands a trial by jury.

Probation Officer Gaskins,

I am attaching my supplemental report to FSUPD Case # 2010-0052, documenting to violations of Judge Hobbs Pretrial Release Order. It appears the notice you sent dated 10/12/20 was received and scanned into our case file by Records Manager K. Gray on 10/22/2020. I am unsure if there was any further distribution of the Order. Please advise Judge Hobbs of these violations and proceed as the Honorable Judge Hobbs sees best.

Narrative

(See below)

Narrative:

On 11/02/20 I was contacted by FSU Police Communications Officer D. Harbin. PCO Harbin advised that Lance Mason had called the FSU Police Department requesting to report his vehicle stolen. Mason's vehicle was towed at the request of the registered owner Patricia Futrell on 10/09/20. This is the same date Mason was issued a trespass warning for Florida State University Property. PCO Harbin stated he advised Mason that he could not report the vehicle stolen as he was not the registered owner. PCO Harbin advised Mason had called three(3) times and during the third phone call requested to speak with a supervisor. Also during the phone calls with PCO Harbin, Mason informed him that he was recording the conversation and it would be posted to his YouTube channel. PCO Harbin informed me and provided a phone number 850-819-8817. At this time neither PCO Harbin or myself was aware that Mason is violating his Leon County Pretrial Release order issued by Judge Hobbs on 10/10/20.

I called Mason at the provided phone number 850-819-8817, and he did inform me that he was recording our conversation. Mason stated that he wanted to report, the vehicle stolen. I informed him the vehicle was towed at the request of the vehicle owner. He proceeded to begin to discuss a reported title which was allegedly in the glove box of the vehicle. I informed Mason that he would need to file a civil lawsuit against his mother to determine ownership of the vehicle, but at this time he failed to complete the transfer of vehicle ownership. Mason began discussing his property that was impounded at the FSU Police Department. Mason indicated that he was advised his property could not be located when he inquired previously. I advised Mason that he would need to contact FSU Property and Evidence to arrange the return of his property. After approximately 15 minutes of debate and argumentative discussion our conversation was ended. Mason indicated the conversation would be posted to his Social Media account.

Upon researching the location of Mason's property I discovered that he has been violating the Pretrial Release order issued by Judge Hobbs in Case Number 2020MM1732A1. I spoke with FSU Property and Evidence Custodian B. Woodaz. Woodaz stated she had been receiving phone calls from an acquaintance of Mason regarding return of his property. Woodaz indicated she was provided an email address for Mason and sent an email on 10/16/20 at 12:07 PM with instructions on how to retrieve his property. Mason responded at 1:44PM from the email address "turncoatenergy@gmail.com". The entire email thread is attached to this report. Mason's reply is included below.

Thanks Brittany

I'm having a problem getting in touch with people since you have my phone.  
I'll find someone though.

What do i need to do in order to get the complete bodycam video, both from the arrest and the previous morning when my car was taken?  
I'd like to get the complete report and everything including bodycam for discovery.

Am I allowed to contact the dean of the business school or the Law School Public Advocacy Center?

Thanks in advance  
Lance Mason

I then discovered that Mason has been contacting Records Management Supervisor K. Gray, requesting reports and BWC video from both contacts with FSU Police case numbers 2010-0044 and 2010-0052. On 10/16/2020 Property and Evidence Custodian B. Woodaz forwarded the email from Lance Mason to Records Manager K. Gray. On 10/19/2020 Records Manager K. Gray sent the requested videos via secured dropbox to Mason. On 10/22/2020 at 7:41 AM Mason sent Gray another email asking for more information and questions, see conversation below. The emails will be attached to this report.

Subject: Re: Videos for Case #2010-0044

Thanks Karin

I have an audio that comes after the last one provided where they are explaining why I'm given a trespass order and provided a contact card. I see the punishment which is a no trespass order in perpetuity. I don't see what I'm alleged to have done however but that was discussed in the audio I have if you would like to hear it. Do you have the video for that and that which precedes it?

Also there is nothing from the incident that evening where I describe how I had had a knife and gun pulled on me and chose my alma mater in order to charge my phone so that I could escape, rather than trying to find an outlet where my would be attackers were last seen.

This will start over at Landis Green and end at the fsu police station.

Am I prohibited from contacting the dean of the business school, the Seminole boosters, the public advocacy law center, and the alumni association ?

Thank you

Lance Mason

On 10/22/2020 Mason contacts Gray via email with more questions asking for more video and claiming he was not provided all of the requested documents. Records Manager Gray discovered Mason did not provided the correct case number in reference to his arrest 2010-0052. The report is listed as pending and she advised she had forwarded the requested information to the General Counsel Office for review.

Lance Mason has been in direct violation of the Leon County Pretrial Release order issued by Judge Hobbs on 10/10/2020.

I swear that the above facts are true and accurate.

CHARGE(S):

TRESPASS ON PROPERTY AFTER WARNING

**SUPERVISED PRETRIAL RELEASE  
AFFIDAVIT  
VIOLATION OF PRETRIAL RELEASE**

Before me, Walter Lay, Notary Public at Large in and for the State of Florida, personally came Jeanette Gaskins who, being first duly sworn, says that LANCE MASON, referred to as the aforesaid, was on the 10th day of Oct-2020 released into the Supervised Pretrial Release Division with the charge(s) of

TRESPASS ON PROPERTY AFTER WARNING

In that the aforesaid was court ordered by the Honorable Judge Barbara Hobbs at First Appearance on 10/10/20 to be released into the Supervised Pretrial Release Division with the special conditions of no contact with FSU; maintaining regular contact with the Supervised Pretrial Release Division; and remaining arrest free.

In that the aforesaid has violated the condition(s) of his release by failing to maintain contact with the Pretrial Release Office. The defendant failed to report by telephone for his scheduled weekly appointments on 02/15/21, 02/22/21 and 03/01/21. I attempted to contact the defendant via phone on 02/19/21 and 03/01/21 but was unsuccessful. I am unable to mail a correspondence letter as the defendant reported being homeless. He also failed to provide an emergency contact person or email address. The defendant's current whereabouts are unknown at this time, per Jeanette Gaskins, Probation/Pretrial Officer II.

Therefore, it is recommended that the Pretrial Release be revoked.

Lance Mason

DEFENDANT. /

**STIPULATED MOTION FOR RELEASE ON RECOGNIZANCE**

COMES NOW Lance Mason, by and through undersigned counsel and moves this Honorable Court to reinstate a bond in the above styled case, pursuant to Rule 3.131, Fla.R.Crim.P., Section 907.041 Florida Statutes, the Florida Constitution, and the Sixth and Fourteenth Amendments of the United States Constitution. In support of this motion, Mr. Mason states the following:

1. Mason is charged with Trespass on Property, a first-degree misdemeanor, in the above-styled case. He was arrested on October 9, 2020.
2. Mason has been incarcerated for 8 days as of today's date since his transfer from Bay County Jail. He is being held No Bond on this misdemeanor charge only.
3. Rule 3.131 (b)(1) of the Florida Rules of Criminal Procedure (2010) states a "presumption in favor of release on non-monetary conditions" and provides for imposition of the least restrictive conditions of release as are reasonably necessary to protect the community from the "risk of physical harm to persons" and to assure the Defendant's appearance at trial.
4. Conditions of pretrial release—including satisfying a monetary bail—must be "designed to ensure" or achieve a legitimate government's interest. Salerno, 481 U.S. at 754. Monetary bail is excessive when it is "higher than an amount reasonably calculated to fulfill" the government's interests. Stack v. Boyle, 342 U.S. 1, 5 (1951). Although the state may have an interest in detaining some dangerous people pretrial, conditioning pretrial release on satisfaction of a monetary bail, however, does nothing to protect the community. So long as the criminal defendant does not flee, no financial consequence results from his committing a future crime while on pretrial release. See § 903.28, Fla.

Stat. (prescribing that a forfeited bond shall be remitted and judgment satisfied upon the apprehension of the defendant).

5. Mason requests that the Court release him on his own recognizance.
6. Mason is indigent and cannot afford to post bond.
7. Assistant State Attorney, Callaway Scott, has been contacted and does not oppose to this motion.

WHEREFORE, Mr. Mason respectfully requests this Court to enter an Order releasing him on his own recognizance.

CERTIFICATE OF SERVICE

I HEREBY CERTIFY that a true and correct copy has been furnished by electronic delivery to Callaway Scott, Assistant State Attorney, on this 15th day of July, 2021.
